## 1. All i want – Kodaline

All I want is nothing more  
To hear you knocking at my door  
'Cause if I could see your face once more  
I could die as a happy man I'm sure

When you said your last goodbye  
I died a little bit inside  
I lay in tears in bed all night  
Alone without you by my side

But if you loved me  
Why did you leave me  
Take my body  
Take my body

All I want is  
All I need is  
To find somebody  
I'll find somebody

Ooh oh  
Ooh oh  
Ooh oh  
Ooh oh

'Cause you brought out the best of me  
A part of me I'd never seen  
You took my soul wiped it clean  
Our love was made for movie screens

But if you loved me  
Why did you leave me  
Take my body  
Take my body

All I want is  
All I need is  
To find somebody  
I'll find somebody

Ooh oh  
Ooh oh  
Ooh oh  
Ooh oh  
Ooh ah  
Ooh oh

Ooh, if you loved me  
Why did you leave me  
Take my body  
Take my body  
All I want is  
All I need is

To find somebody  
I'll find somebody  
Like you, ooh

## 2. Als ze lacht – yevgueni

**Ze is niet altijd even vrolijk  
en dat ligt ook wel eens aan mij  
en een beetje aan de weerman  
maar die maakt eigenlijk niemand blij  
met al zijn miezerige buien  
daar heeft zij geen boodschap aan  
zij wil alle dagen zon en als het moet eens  
een orkaan**

**Maar net als hem blijf ik proberen,  
elke dag een flauwe mop  
plots is daar dan toch die glimlach  
en dan klaart alles, dan klaart alles hier  
weer op**

**want als ze lacht breekt de hele hemel  
open  
echt, ik waan me in de tropen, 't is echt  
machtig als ze lacht  
als ze lacht baad ik uren in de zon  
ik wou dat ik dat voor haar kon  
wat zij voor mij doet als ze lacht**

**ik ben ook niet altijd even vrolijk  
maar dat ligt echt wel niet aan mij  
want zelfs met Martine om zeven  
is er maar zelden goed nieuws bij  
of toch: een nieuwe prins geboren  
zelfs nog beter: een dolfijn  
maar dan een stuk of honderd plaatsen  
waar ze weer aan 't vechten zijn**

**Er is nochtans niet zoveel nodig  
misschien meer vrouwen aan de macht  
dan zeg ik: schat jij zou dat kunnen  
en echt ik meen het, echt ik meen het  
maar zij lacht**

**en als ze lacht is het even wereldvrede  
is de laatste strijd gestreden, 't is echt  
machtig als ze lacht  
als ze lacht baad ik uren in de zon  
ik wou dat ik dat voor haar kon  
wat zij voor mij doet als ze lacht**

**ja ik wou echt, dat ik dat voor haar kon  
maar als ze lacht is het even wereldvrede  
is de laatste strijd gestreden, 't is echt  
machtig als ze lacht  
als ze lacht baad ik uren in de zon  
ik wou dat ik dat voor haar kon  
wat zij voor mij doet als ze lacht  
  
als ze lacht is het even wereldvrede  
is de laatste strijd gestreden, 't is echt  
machtig als ze lacht  
als ze lacht baad ik uren in de zon  
ik wou dat ik dat voor haar kon  
wat zij voor mij doet als ze lacht**

### 3 Altijd heb ik je lief – Clouseau

Elke keer als jij me aankijkt  
Dan voel ik dat ik thuis ben  
Elke keer als ik aan jou denk  
Dan weet ik dat ik juist ben  
Je redt me uit m'n bange dromen  
Je liefde leidt me door de nacht  
Mocht ons ooit iets overkomen  
Weet dan dat ik op je wacht

Want m'n lief  
Altijd heb ik je lief  
Ik kan niet zonder jou bestaan  
Altijd heb ik je lief  
Ik kan niet zonder jou  
Een hart dat zegt ik heb je nodig  
Dat zegt ik hou van jou

Zo'n hart maakt woorden overbodig  
En ik blijf het altijd trouw  
Je laat de zon weer voor me schijnen  
Je bent m'n passie en m'n kracht  
Mocht je op een dag verdwijnen  
Weet dan dat ik op je wacht

Want m'n lief  
Altijd heb ik je lief  
Ik kan niet zonder jou bestaan  
Altijd heb ik je lief  
Ik kan niet zonder jou

#### 4. Anja- Gorki

**Zonder hoop en zonder eten  
Stuurde jij me weer naar bed  
Want ik ben stout en de stoute kind'ren  
Die moeten altijd vroeg naar bed**

**Anja, de laatste dans  
Die moet je mij nog schenken  
Anja, de laatste dans  
Die moet je mij nog schenken**

**En de maan schijnt door de bomen  
De brave mensen gaan naar de zee  
Ik zie ze rijden op hun brommers  
Ze hebben lol en ik mag niet mee**

**Anja, de laatste dans  
Die moet je me nog schenken  
Anja, de laatste dans  
Die moet je mij nog schenken  
Anja, de laatste dans  
Die moet je me nog schenken  
Anja, de laatste dans  
Die moet je mij nog schenken  
Ik blijf je altijd trouw  
En als het donker wordt  
En je niet meer weet  
Waarom het ooit begon  
Blijf ik je altijd trouw (4x)**

## 5. Away in a manger

### [Verse 1]

Away in a manger, no crib for His bed  
The little Lord Jesus laid down His sweet  
head  
The stars in the bright sky looked down  
where He lay  
The little Lord Jesus asleep on the hay

### [Verse 2]

The cattle are lowing, the poor Baby  
awakes  
But little Lord Jesus, no crying He makes  
I love Thee, Lord Jesus! Look down from  
the sky  
And stay by my side till morning is nigh

### [Verse 3]

Be near me, Lord Jesus; I ask Thee to stay  
Close by me forever, and love me I pray  
Bless all the dear children in Thy tender  
care  
And take us to Heaven to live with Thee  
there

## 6. Beauty in the world – Macy gray

I know you're fed up  
But life don't let up for us  
All they talk about is  
What is going down?  
Whats been messed up for us?  
When I look around I see blue skies  
I see butterflies for us

Listen to the sound and lose it  
Its sweet music and dance with me  
There is beauty in the world  
So much beauty in the world  
Always beauty in the world  
So much beauty in the world  
Shake your booty boys and girls for the  
beauty in the world  
Pick your diamond pick your pearl there  
is beauty in the world  
All together now

We need more lovin'  
We need more money, they say  
Change is gonna come  
Like the weather  
They say forever  
They say  
When they're in between  
Notice the blue skies  
Notice the butterflies  
Notice me

Stop and smell the flowers  
And lose it the sweet music and dance  
with me  
There is beauty in the world  
So much beauty in the world  
Always beauty in the world  
There is beauty in the world  
Shake your booty boys and girls for the  
beauty in the world  
Pick your diamond pick your pearl there  
is beauty in the world  
All together now

Heya throw your hands up and holla  
Throw your hands up and holla  
When you don't know what to do  
Don't know if you'll make it through  
Remember god is giving you beauty in the  
world  
So love (Beauty in the world)  
Yeah love (Beauty in the world)

There is beauty in the world (Beauty in  
the world)  
Beauty in the world (Beauty in the world)  
Shake your booty boys and girls (Boys  
and Girls)  
All the beauty in the world (Beauty in the  
world)  
Pick your diamond pick your pearl (Pick  
your pearl)  
There is beauty in the world (Beauty in  
the world)  
All together now  
Yeah love  
Yeah love  
Oh love  
All together now

## 7. Chariot – Mega

### [Verse 1]

Just imagine, we woke up in paradise  
Don't need magic, let my force just carry  
us home tonight  
Future's golden, don't let go don't give it  
up  
Just keep holding, even when you had  
enough  
I, I will be your light

### [Chorus]

When you're low, I'll lead you home,  
Chariot  
Take you back to where you're from,  
Chariot

### [Verse 2]

One step forward, on the road ahead of  
us  
Don't look back, no  
You just need a bit of luck  
Oh, oh, tonight

### [Chorus]

When you're low, I'll lead you home,  
Chariot  
Take you back to where you're from,  
Chariot  
When you're low, I'll lead you home,  
Chariot  
Take you back to where you're from,  
Chariot

### [Bridge]

Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah

### [Chorus]

When you're low, I'll lead you home,  
Chariot  
Take you back to where you're from,  
Chariot  
When you're low, I'll lead you home,  
Chariot  
Take you back to where you're from,  
Chariot

## 8. Crash boom bang – Roxette

My papa told me to stay out of trouble  
When you've found your man make sure  
he's for real  
I've learned that nothing really lasts  
forever  
I sleep with the scars I wear that won't  
heal  
They won't heal

'Cause every time I seem to fall in love  
Crash! Boom! Bang!  
I find the heart but then I hit the wall  
Crash! Boom! Bang!  
That's the call, that's the game and the  
pain stays the same

I'm walking down this empty road to  
nowhere  
I pass by the houses and blocks I once  
knew  
My mama told me not to mess with  
sorrow (Sorrow)  
But I always did and lord I still do  
I'm still breaking the rules  
I kick it up  
I kick it down

'Cause every time I seem to fall in love  
Crash! Boom! Bang!  
I find the heart but then I hit the wall  
Crash! Boom! Bang!  
That's my real middle name  
It has always been the same  
That's the call, that's the game, and the  
pain stays the same

I still feel the heat (Slowly fallin' from the  
sky)  
And the taste of the kissing  
Shattered by rain (Comin' tumblin' from  
behind)  
And the wild holy war  
I kick it up  
I kick it down

And every time I seem to fall in love  
Crash! Boom! Bang!  
I find the roses dying on the floor  
Crash! Boom! Bang!  
That's the call, that's the game, and the  
pain stays the same

That's my real middle name  
It has always been the same

Oh yeah, oh yeah, oh yeah

Been the same, been the same  
It has always been the same  
It's always been the same

9. Do they know it's  
christmastime -band Aid

It's Christmas time, there's no need to be afraid  
At Christmas time, we let in light and we banish shade

And in our world of plenty we can spread a smile of joy  
Throw your arms around the world at Christmas time

But say a prayer, Pray for the other ones  
At Christmas time it's hard, but when you're having fun

There's a world outside your window  
And it's a world of dread and fear  
Where the only water flowing  
Is the bitter sting of tears  
And the Christmas bells that ring  
There are the clanging chimes of doom  
Well tonight thank God it's them instead of you

And there won't be snow in Africa this Christmas time  
The greatest gift they'll get this year is life  
Where nothing ever grows  
No rain nor rivers flow  
Do they know it's Christmas time at all?

Here's to you  
Raise a glass for everyone  
Spare a thought this yuletide for the deprived  
If the table was turned would you survive  
Here's to them  
Underneath that burning sun  
You ain't gotta feel guilt just selfless  
Give a little help to the helpless  
Do they know it's Christmas time at all?

Feed the world  
Let them know it's Christmas time again  
Feed the world  
Let them know it's Christmas time again  
Feed the world  
Let them know it's Christmas time again  
Feed the world  
Let them know it's Christmas time again  
Feed the world  
(Feed the world)  
Feed the world  
Feed the world

## 9 Everything – Michael Buble

You're a falling star, you're the get away car  
You're the line in the sand when I go too far  
You're the swimming pool, on an August day  
And you're the perfect thing to say

And you play it coy, but it's kinda cute  
Oh, when you smile at me you know exactly what you do  
Baby don't pretend, that you don't know it's true  
'Cause you can see it when I look at you

And in this crazy life, and through these crazy times  
It's you, it's you, you make me sing  
You're every line, you're every word, you're everything

You're a carousel, you're a wishing well  
And you light me up, when you ring my bell  
You're a mystery, you're from outer space  
You're every minute of my everyday

And I can't believe, uh that I'm your man  
And I get to kiss you baby just because I can  
Whatever comes our way, oh we'll see it through  
And you know that's what our love can do

And in this crazy life, and through these crazy times  
It's you, it's you, you make me sing  
You're every line, you're every word, you're everything  
So, la, la, la, la, la, la, la  
So, la, la, la, la, la, la, la

And in this crazy life, and through these crazy times

It's you, it's you, you make me sing  
You're every line, you're every word, you're everything

So, la, la, la, la, la, la, la  
So, la, la, la, la, la, la, la, la, la, la

## 10. Fix You – Coldplay

**When you try your best, but you don't succeed**

**When you get what you want, but not what you need**

**When you feel so tired, but you can't sleep**

**Stuck in reverse**

**And the tears come streaming down your face**

**When you lose something you can't replace**

**When you love someone, but it goes to waste**

**Could it be worse?**

**Lights will guide you home**

**And ignite your bones**

**And I will try to fix you**

**And high up above or down below**

**When you're too in love to let it go**

**But if you never try, you'll never know**

**Just what you're worth**

**Lights will guide you home**

**And ignite your bones**

**And I will try to fix you**

**Tears stream down your face**

**When you lose something you cannot replace**

**Tears stream down your face, and I**

**Tears stream down your face**

**I promise you I will learn from my mistakes**

**Tears stream down your face, and I**

**Lights will guide you home**

**And ignite your bones**

**And I will try to fix you**

11. Hallelujah – leonard Cohen

**Now I've heard there was a secret chord  
That David played, and it pleased the  
Lord  
But you don't really care for music, do  
you?  
It goes like this, the fourth, the fifth  
The minor fall, the major lift  
The baffled King composing Hallelujah**

**Hallelujah, Hallelujah  
Hallelujah, Hallelujah**

**Your faith was strong, but you needed  
proof  
You saw her bathing on the roof  
Her beauty and the moonlight overthrew  
you  
She tied you to a kitchen chair  
She broke your throne and she cut your  
hair  
And from your lips she drew the  
Hallelujah**

**Hallelujah, Hallelujah  
Hallelujah, Hallelujah**

**I did my best, it wasn't much  
I couldn't feel, so I tried to touch  
I've told the truth, I didn't come to fool  
you  
And even though it all went wrong  
I'll stand before the Lord of Song  
With nothing on my tongue but  
Hallelujah**

**Hallelujah, Hallelujah  
Hallelujah, Hallelujah**

**Hallelujah, Hallelujah  
Hallelujah, Hallelujah**

**Hallelujah, Hallelujah  
Hallelujah, Hallelujah**

**Hallelujah, Hallelujah  
Hallelujah, Hallelujah**

12. Het beste moet nog komen-  
Pommelien Thijs

**Ik adem diep en kijk eens rond  
Wil wortels schieten in de grond  
Verloren liefde, geleende tijd  
Je kreeg de wereld, raak haar kwijt  
Je hebt niks te verliezen als je leeft voor  
je vrienden  
Een kleine eeuwigheid  
Je gaat hard en dat zie je, krijgt de zon op  
haar knieën  
Dit had het kunnen zijn**

**Is dit het dan, dit het dan waard?  
Als het morgen is en ik kom je niet meer  
tegen  
Is dit het dan, dit het dan waard?  
Als het over is en we nooit hebben  
geweten  
Het beste moet nog komen**

**Ik dacht te weten hoe het moest  
Een kleiner leven was ooit genoeg  
Maar ik wil meer  
Ik heb nog plaats voor blauwe plekken  
Of tattoos om te ontdekken hoe het is  
Je hebt niks te verliezen als je leeft voor  
je vrienden  
Dit had het kunnen zijn**

**Is dit het dan, dit het dan waard?  
Als het morgen is en ik kom je niet meer  
tegen  
Is dit het dan, dit het dan waard?  
Als het over is en we nooit hebben  
geweten  
Het beste moet nog komen  
Het beste moet nog komen**

**Ik wil draaien als je oude platen**

**Krassen blijven maken, laat het los  
Ik wil later lopen zoals water  
Alle fouten maken, laat het los**

**Ik wil draaien als je oude platen  
Krassen blijven maken, laat het los  
Ik wil later, mijn beloofde jaren  
Ik mis het en ik haat het  
Laat me, laat me, laat me los**

**Is dit het dan, dit het dan waard?  
Als het morgen is en ik kom je niet meer  
tegen  
Is dit het dan, dit het dan waard?  
Als het over is en we nooit hebben  
geweten  
Het beste moet nog komen**

### 13. How sweet it is – James Taylor

**How sweet it is to be loved by you  
How sweet it is to be loved by you**

#### **[Verse 1]**

**I needed the shelter of someone's arms  
There you were  
I needed someone to understand my ups  
and downs  
There you were  
With sweet love and devotion  
Deeply touching my emotion**

#### **[Chorus]**

**I want to stop and thank you, baby  
I want to stop and thank you, baby, yes, I  
do  
How sweet it is to be loved by you, feels  
so fine  
How sweet it is to be loved by you**

#### **[Verse 2]**

**I close my eyes at night  
Wondering where would I be without you  
in my life  
Everything I did was just a bore  
Everywhere I went, it seems I'd been  
there before  
But you brighten up for me all of my days  
With a love so sweet in so many ways**

#### **[Chorus]**

**I want to stop and thank you, baby  
I just want to stop and thank you, baby,  
whoa, yes  
How sweet it is to be loved by you  
It's just like sugar sometimes  
How sweet it is to be loved by you  
Whoa, yeah**

#### **[Bridge]**

**You were better to me than I was to  
myself  
For me, there's you and there ain't  
nobody else**

#### **[Chorus]**

**I want to stop and thank you, baby  
I just want to stop and thank you, baby,  
oh, yes  
How sweet it is to be loved by you  
How sweet it is to be loved by you**

#### **[Outro]**

**Oh, now, how sweet it is to be loved by  
you  
It's like jelly, baby, oh, now  
How sweet it is to be loved by you  
Just like honey to the bee, baby, yeah,  
now  
How sweet it is to be loved by you  
How sweet it is to be loved by you**

#### 14. I want to break free – Queen

I want to break free  
I want to break free  
I want to break free from your lies  
You're so self-satisfied, I don't need you  
I've got to break free  
God knows, God knows I want to break  
free

I've fallen in love  
I've fallen in love for the first time  
And this time, I know it for real  
I've fallen in love, yeah  
God knows, God knows I've fallen in love

It's strange but it's true, yeah  
I can't get over the way you love me like  
you do  
But I have to be sure  
When I walk out that door  
Oh, how I want to be free, baby  
Oh, how I want to be free  
Oh, how I want to break free

But life still goes on  
I can't get used to living without, living  
without  
Living without you by my side  
I don't want to live alone, hey  
God knows, got to make it on my own

So baby can't you see  
I've got to break free  
I've got to break free  
I want to break free, yeah  
I want, I want, I want, I want to break  
free

### 15. Icon – Daan

If you try to be an icon  
Then the icon becomes you  
If you try to be a model  
I'll catwalk over you  
If you try to walk in straight shoes  
Then these shoes will bend you too  
If you try to be a kid again  
The kid will kidnap you

You know it's true  
The guy you know, well that's just you  
And there is nothing you can do  
Just like a door you can't get through  
When there is no one left to fool  
Don't go and drown in that old pool  
Don't kid yourself

So don't try to be an icon  
Con the I inside of you  
That picture you've been painting doesn't  
look a thing like you  
I'll agree that it's a nice try  
But when your paint is dry  
We're all just little icons  
Super you and super I

You know it's true  
The guy you know, well that's just you  
And there is nothing you can do  
Just like a door you can't get through  
When there is no one left to fool  
Don't go and drown in that old pool  
Don't kid yourself

So low

I need someone to show me  
Just what I threw away  
I need a pretty angel to present it on a  
tray

You never liked the icon

Said "that guy looked pretty strange"  
But you never tried to change me and  
that's how I've come to change

You know it's true

The guy you know, well that's just you  
And there is nothing you can do  
Just like a door you can't get through  
When there is no one left to fool  
Don't go and drown in that old pool  
Don't kid yourself  
When there is no one left to fool  
Don't go and drown in that old pool  
Don't kid yourself

## 16. L' enfer – Stromae

Je suis pas tout seul à être tout seul  
Ça fait déjà ça de moins dans la tête  
Et si je comptais, combien on est  
Beaucoup

Tout ce à quoi j'ai déjà pensé  
Dire que plein d'autres y ont déjà pensé  
Mais malgré tout, je me sens tout seul  
Du coup

J'ai parfois eu des pensées suicidaires  
Et j'en suis peu fier  
On croit parfois que c'est la seule  
Manière de les faire taire  
Ces pensées qui nous font vivre un enfer  
Ces pensées qui me font vivre un enfer

**Yah Yah Yah**  
**Yah yah yah yah yah**

Est-ce qu'il y a que moi qui ai la télé  
Et la chaîne culpabilité?  
Mais faut bien se changer les idées  
Pas trop, quand même  
Sinon ça repart vite dans la tête  
Et c'est trop tard pour que ça s'arrête  
C'est là que j'aimerais tout oublier  
Du coup

J'ai parfois eu des pensées suicidaires  
Et j'en suis peu fier  
On croit parfois que c'est la seule  
manière  
De les faire taire  
Ces pensées qui nous font vivre un enfer  
Ces pensées qui me font vivre un enfer

**Yah Yah Yah**  
**Yah yah yah yah yah**

**Tu sais, j'ai mûrement réfléchi**  
**Et je sais vraiment pas quoi faire de toi**  
**Justement, réfléchir**

**C'est bien le problème avec toi**  
**Tu sais, j'ai mûrement réfléchi**  
**Et je sais vraiment pas quoi faire de toi**  
**Justement, réfléchir**  
**C'est bien le problème avec toi**

**Yah Yah Yah**  
**Yah yah yah yah yah**

17. Laat me nu toch niet alleen-  
Clouseau

**Laat me nu toch niet alleen  
Radeloos en verloren  
Sloop die muren om me heen  
Help me zo bij jou te komen**

**Laat me eens je gezel zijn  
Wees de gids die me zal leiden  
Want ik ben reeds lang op reis  
En zo moe, kom en bevrijd me**

**Neem me mee naar je land  
Vol muziek en vol dromen  
Leid me naar je land  
Laat me in jouw wolken wonen**

**Laat me nu nu toch niet alleen  
Neem mijn hand en toon me  
De weg die leidt naar jou alleen  
Help me zo bij jou te komen**

**Neem me mee naar je land  
Vol muziek en vol dromen  
Leid me naar je land  
Laat me in jouw wolken wonen**

**Laat me nu toch niet alleen  
Radeloos en verloren  
Sloop die muren om je heen  
Help me zo bij jou te komen**

**Laat me nu toch niet alleen  
Radeloos, en verloren  
Laat me nu toch niet alleen  
Radeloos, en verloren**

## 18. Lose control- Teddy swimms

Something's got a hold of me lately  
No, I don't know myself anymore  
Feels like the walls are all closing in  
And the devil's knocking at my door,  
whoa

Out of my mind, how many times  
Did I tell you I'm no good at being alone?  
Yeah, it's taking a toll on me, trying my  
best to keep  
From tearing the skin off my bones, don't  
you know

**I lose control**

When you're not next to me  
I'm falling apart right in front of you,  
can't you see?

**I lose control**

When you're not next to me, mm-hmm  
Yeah, you're breaking my heart, baby  
You make a mess of me

**Problematic**

Problem is I want your body like a fiend,  
like a bad habit  
Bad habit's hard to break when I'm with  
you  
Yeah, I know, I could do it on my own,  
but I want  
That real full moon black magic and it  
takes two

**Problematic**

Problem is, when I'm with you, I'm an  
addict  
And I need some relief, my skin in your  
teeth  
Can't see the forest through the trees  
Got me down on my knees, darling,  
please, oh

**I lose control**

When you're not next to me  
I'm falling apart right in front of you,

can't you see?

**I lose control**

When you're not next to me, mm-hmm  
Yeah, you're breaking my heart, baby  
You make a mess of me, yeah

**I lose control**

When you're not here with me, mm  
I'm falling apart right in front of you,  
can't you see?

**I lose control**

When you're not here with me, mm-hmm  
Yeah, you're breaking my heart, baby  
You make a mess of me

20. Merry christmas everyone –  
Slade

Are you hanging up your stocking on the wall?  
It's the time that every Santa has a ball  
Does he ride a red-nosed reindeer?  
Does a ton-up on his sleigh?  
Do the fairies keep him sober for the day?

So here it is, Merry Christmas  
Everybody's having fun  
Look to the future now  
It's only just begun

Are you waiting for the family to arrive?  
Are you sure you got the room to spare inside?  
Does your granny always tell ya  
That the old songs are the best?  
Then she's up and rock and rollin' with the rest

Are you hanging up your stocking on the wall?  
Are you hoping that the snow will start to fall?  
Do you ride on down the hillside  
In a buggy you have made  
And land upon your head, then you been slayed?

So here it is Merry Christmas  
Everybody's having fun  
Look to the future now  
It's only just begun

So here it is Merry Christmas  
Everybody's having fun  
Look to the future now  
It's only just begun

So here it is Merry Christmas  
Everybody's having fun  
Look to the future now  
It's only just begun

So here it is Merry Christmas (it's Christmas)  
Everybody's having fun  
Look to the future now  
It's only just begun

## 21. Medley can't stop this feeling

– Justin T., jess Glyn, Spice

Girls, of monsters and men,

Walk the moon

Oehoe – wiehoe

I got this feeling inside my bones  
It goes electric, wavy when I turn it on  
All through my city, all through my home  
We're flying up, no ceiling, when we in  
our zone

Standing in a crowded room, and I can't  
see your face  
Put your arms around me, tell me  
everything's OK  
In my mind, I'm running round a cold and  
empty space  
Just put your arms around me, tell me  
everything's OK

Break my bones but you won't see me  
fall, oh – shut up & dance  
The rising tide will rise against them all-  
Shut up & dance

I got that sunshine in my pocket, got that  
good soul in my feet  
I feel that hot blood in my body when it  
drops (Ooh)  
I can't take my eyes up off it, movin' so  
phenomenally  
Room on lock, the way we rock it, so  
don't stop – And dance with me  
  
Oh, don't you dare look back, just keep  
your eyes on me  
I said, "You're holding back," she said,  
"Shut up and dance with me"  
This woman is my destiny, she said  
"Ooh, shut up and dance with me"

I can't stop the feelin'  
So just dance, dance, dance

I can't stop the feelin'

So just dance, dance, dance, come on

We were victims of the night

The chemical, physical, kryptonite

Helpless to the bass and the fading light

Oh, we were bound to get together,  
bound to get together

Yo, I'll tell you what I want, what I really,  
really want

So tell me what you want, what you  
really, really want

I wanna, (ha) I wanna, (ha) I wanna, (ha) I  
wanna, (ha)

I wanna really, really, really wanna  
zigzag ah

If you want my future, forget my past

If you wanna get with me, better make it  
fast

Now don't go wasting my precious time  
Get your act together we could be just  
fine

Don't listen to a word I say

(Hey)

The screams all sound the same

(Hey)

Though the truth may vary

This ship will carry our bodies safe to  
shore

I can't stop the feelin'

(Got this feelin' in my body)

I can't stop the feelin'

(Got this feelin' in my body)

I can't stop the feelin'

## 22. Medley hit me one more time

Oh baby baby, Oh baby baby

Oh baby baby, how was I supposed to know  
that something wasn't right here  
Oh baby baby, I shouldn't have let you go  
and now you're out of sight, yeah  
show me how you want it to be  
tell me baby cuz I need to know what we got.

we don't talk about Bruno, no, no, no  
We don't talk about Bruno

He told me my fish would die, the next day dead (no, no)  
He told me I'd grow a gut, and just like he said (just like he said)  
He said that all my hair would disappear, now look at my head (no, no, hey)  
give me a sign, hit me baby one more time!

Bruno, live in fear of Bruno stuttering or stumbling  
I could always hear him sort of muttering and mumbling  
I associate him with the sound of falling sand  
It's a heavy lift, with a gift so humbling  
Always left Abuela and the family fumbling  
Grappling with prophecies they couldn't understand  
Do you understand?

Turn up the music, turn down the lights  
I've got a feeling I'm gon' be alright  
Okay (okay), alright

give me a sign, hit me baby one more time!

You want me, I want you, baby  
My sugarboo, I'm levitating  
The Milky Way, we're renegading  
Yeah, yeah, yeah, yeah

I got you, moonlight, you're my starlight  
I need you all night, come on, dance with me  
I'm levitating  
You, moonlight, you're my starlight  
(you're the moonlight)  
I need you all night, come on, dance with me  
I'm levitating (whoo)

He told me that the life of my dreams would be promised, and someday be mine  
He told me that my power would grow, like the grapes that thrive on the vine  
(My love is like a rocket, watch it blast off  
And I'm feeling so electric, dance my arse off  
And even if I wanted to, I can't stop  
Yeah, yeah, yeah, yeah, yeah)

I must confess (my loneliness) that my loneliness  
(is killing me) Is killing me now  
(I must confess) Don't you (I still believe) know I still believe  
that you will be here (I lose my mind)  
And give me a sign...  
**HIT ME BABY ONE MORE TIME!**

My loneliness is killin me (and I)  
I must confess I still believe (still believe)  
When I'm not with you I lose my mind  
give me a sign, hit me baby one more time!

23. Medley Whenever rain thrills-  
the script, Sia, shakira, Avicci,  
Eagle-Eye Cherry

Woke up this morning, can't shake the thunder from last night  
You left with no warning and took the summer from my life  
I gave you my everything, now my world it don't seem right  
Can we just go back to being us again?

'Cause when I'm sittin' in the bar  
All the lovers with umbrellas always pass me by  
It's like I'm livin' in the dark  
And my heart's turned cold since you left my life  
And no matter where I go  
Girl, I know if I'm alone, there'll be no blue sky  
I don't know what I'm doing wrong

Come on, come on, turn the radio on  
It's Friday night, and it won't be long  
Gotta do my hair, put my make-up on  
It's Friday night, and it won't be long  
'Til I hit the dance floor, hit the dance floor  
I got all I need  
No, I ain't got cash, I ain't got cash  
But I got you, baby

and it feels like, oh-oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh-oh – I love cheap thrills  
And it feels like, oh-oh-oh-oh-oh-oh – I love cheap Thrills

I don't need no money  
As long as I can feel the beat  
I don't need no money  
As long as I keep dancing

Le-do-lo-le-lo-le, le-do-lo-le-lo-le  
Think out loud, say it again  
Le-do-lo-le-lo-le-lo-le

**Tell me one more time**  
**That you'll live lost in my eyes**

**Whenever, wherever**  
**We're meant to be together**  
**I'll be there, and you'll be near**  
**And that's the deal, my dear**  
**There over, hereunder**  
**You got me head over heels**  
**There's nothing left to fear**  
**If you really feel the way I feel**  
**Whenever, wherever**  
**We're meant to be together**  
**I'll be there, and you'll be near**  
**And that's the deal, my dear**  
**There over, hereunder**  
**Or up above, don't wonder**  
**We can always play by ear**  
**But that's the deal, my dear**

**Save tonight**  
**And fight the break of dawn**  
**Come tomorrow**  
**Tomorrow I'll be gone**

**So wake me up when it's all over**  
**When I'm wiser and I'm older**  
**All this time I was finding myself**  
**And I didn't know I was lost**

**Para para parise**

24. No sound but the wind-  
Editors

We can never go home  
We no longer have one  
I'll help you carry the load  
I'll carry you in my arms  
The kiss of the snow  
The crescent moon above us  
Our blood is cold  
And we're alone  
But I'm alone with you

Help me carry the fire  
It will light our way forever

Help me to carry the fire  
We will keep it alight together  
Help me to carry the fire  
It will light our way forever

If I say shut your eyes  
If I say look away  
Bury your face in my shoulder  
Think of a birthday  
The things you put in your head  
They will stay here forever  
Our blood is cold  
And we're alone, love  
But I'm alone with you

Help me to carry the fire  
We will keep it alight together  
Help me to carry the fire  
It will light our way forever

Help me to carry the fire  
We will keep it alight together  
Now help me to carry the fire  
It will light up our way forever

If I say shut your eyes  
If I say shut your eyes  
Bury me in surprise  
Where I say shut your eyes

Help me to carry the fire  
We will keep it alight together

## 25. Nothings gonna stop us

- Starship

**Lookin' in your eyes, I see a paradise  
This world that I found is too good to be true  
Standing here beside you, want so much to give you  
This love in my heart that I'm feeling for you**

**... Let them say we're crazy, I don't care about that  
Put your hand in my hand, baby, don't ever look back  
Let the world around us just fall apart  
Baby, we can make it if we're heart to heart**

**... And we can build this dream together  
Standing strong forever  
Nothing's gonna stop us now  
And if this world runs out of lovers  
We'll still have each other  
Nothing's gonna stop us  
Nothing's gonna stop us now, oh-whoa**

**... I'm so glad I found you  
I'm not gonna lose you  
Whatever it takes, I will stay here with you  
Take it to the good times  
See it through the bad times  
Whatever it takes is what I'm gonna do**

Put your arms around me, baby, don't ever let go  
Let the world around us just fall apart

We'll still have each other  
Nothing's gonna stop us  
Nothing's gonna stop us**

All that I ever need  
And all that I want to do is hold you forever  
Forever and ever

## 27. Shivers – Ed Sheeran

I took an arrow to the heart  
I never kissed a mouth that tastes like yours  
Strawberries and somethin' more  
Ooh yeah, I want it all  
Lipstick on my guitar (ooh)  
Fill up the engine, we can drive real far  
Go dancin' underneath the stars  
Ooh yeah, I want it all  
Mm, you got me feelin' like  
  
I wanna be that guy, I wanna kiss your eyes  
I wanna drink that smile, I wanna feel like I'm  
Like my soul's on fire, I wanna stay up all day and all night  
Yeah, you got me singin' like

Refrain:

Ooh, I love it when you do it like that  
And when you're close up, give me the shivers  
Oh baby, you wanna dance 'til the sunlight cracks  
And when they say the party's over, then we'll bring it right back  
And we'll say, ooh, I love it when you do it like that  
And when you're close up, give me the shivers  
Oh baby, you wanna dance 'til the sunlight cracks  
And when they say the party's over, then we'll bring it right back

Into the car  
On the backseat in the moonlit dark  
Wrap me up between your legs and arms  
Ooh, I can't get enough  
You know you could tear me apart (ooh)  
Put me back together and take my heart  
I never thought that I could love this hard

Ooh, I can't get enough  
Mm, you got me feeling like  
  
I wanna be that guy, I wanna kiss your eyes  
I wanna drink that smile, I wanna feel like I'm  
Like my soul's on fire, I wanna stay up all day and all night  
Yeah, you got me singin' like  
  
Ooh, I love it when you do it like that  
And when you're close up, give me the shivers  
Oh baby, you wanna dance 'til the sunlight cracks  
And when they say the party's over, then we'll bring it right back  
  
Baby, you burn so hot, you make me shiver  
With the fire you got, this thing we started  
I don't want it to stop  
You know you make me shiver-er-er  
Baby, you burn so hot, you make me shiver  
With the fire you got, this thing we started  
I don't want it to stop  
You know you make me shiver  
  
Yeah, you got me singin' like  
And we'll say, ooh, I love it when you do it like that  
And when you're close up, give me the shivers  
Oh baby, you wanna dance 'til the sunlight cracks  
And when they say the party's over, then we'll bring it right back

## 28. Super trouper – Abba

Super trouper beams are gonna blind me  
But I won't feel blue  
Like I always do  
'Cause somewhere in the crowd there's  
you

I was sick and tired of everything  
When I called you last night from  
Glasgow  
All I do is eat and sleep and sing  
Wishing every show was the last show  
(wishing every show was the last show)  
So imagine I was glad to hear you're  
coming (glad to hear you're coming)  
Suddenly I feel all right (and suddenly it's  
gonna be)  
And it's gonna be so different when I'm  
on the stage tonight

Tonight the super trouper lights are  
gonna find me  
Shining like the sun (super trouper)  
Smiling, having fun (super trouper)  
Feeling like a number one

Tonight the super trouper beams are  
gonna blind me (super trouper)  
But I won't feel blue (super trouper)  
Like I always do (super trouper)  
'Cause somewhere in the crowd there's  
you

Facing twenty-thousand of your friends  
How can anyone be so lonely?  
Part of a success that never ends  
Still I'm thinking about you only (still I'm  
thinking about you only)  
There are moments when I think I'm  
going crazy (think I'm going crazy)  
But it's gonna be alright (you'll soon be  
changing everything)  
Everything will be so different when I'm  
on the stage tonight

Tonight the super trouper lights are  
gonna find me (super trouper)  
Shining like the sun (super trouper)  
Smiling, having fun (super trouper)  
Feeling like a number one

Tonight the super trouper beams are  
gonna blind me (super trouper)  
But I won't feel blue (super trouper)  
Like I always do (super trouper)  
'Cause somewhere in the crowd there's  
you

So I'll be there when you arrive  
The sight of you will prove to me I'm still  
alive  
And when you take me in your arms and  
hold me tight  
I know it's gonna mean so much tonight

Tonight the super trouper lights are  
gonna find me (super trouper)  
Shining like the sun (super trouper)  
Smiling, having fun (super trouper)  
Feeling like a number one

Tonight the super trouper beams are  
gonna blind me (super trouper)  
But I won't feel blue (super trouper)  
Like I always do (super trouper)  
'Cause somewhere in the crowd there's  
you

## 29. True colors- Cyndi Lauper

### [Verse 1]

You with the sad eyes  
Don't be discouraged  
Oh I realize  
It's hard to take courage  
In a world full of people  
You can lose sight of it all  
And the darkness inside you  
Can make you feel so small

### [Chorus]

But I see your true colors  
Shining through  
I see your true colors  
And that's why I love you  
So don't be afraid to let them show  
Your true colors  
True colors are beautiful  
Like a rainbow

### [Verse 2]

Show me a smile then  
Don't be unhappy  
Can't remember when  
I last saw you laughing  
If this world makes you crazy  
And you've taken all you can bear  
You call me up  
Because you know I'll be there [Chorus]  
And I'll see your true colors  
Shining through  
I see your true colors  
And that's why I love you  
So don't be afraid to let them show  
Your true colors  
True colors are beautiful  
Like a rainbow

### [Verse 2]

If this world makes you crazy  
You've taken all you can bear  
You call me up  
Because you know I'll be there

### [Chorus]

And I'll see your true colors  
Shining through  
I see your true colors  
And that's why I love you  
So don't be afraid to let them show  
Your true colors  
True colors  
True colors are shining through  
I see your true colors  
And that's why I love you  
So don't be afraid to let them show  
Your true colors  
True colors are beautiful  
Like a rainbow

30.Uhuh- Stan van Samang

I've seen you riding on the outbound  
tube  
Right across from me and on your phone  
Didn't wanna bother you or scare you off  
You always ever had your earbuds on  
  
So I've been trying to get a better view  
But all the people always stand in my  
way  
Someday I might get within speaking  
range  
And if I did what would I even say

Oh I know your face from somewhere It  
just rings a bell  
Uh huh  
My memory is fundamentally flawed  
But it is certainly well  
It's like I've seen you once before  
I just don't know when  
Uh huh

Oh I know your face from somewhere  
Will I see it again

He took my courage just as you got off  
And disappeared in a swirling crowd  
So as I finally saw the platform move  
I couldn't help myself but say out loud

Oh I know your face from somewhere it  
just rings a bell  
Uh huh  
My memory is fundamentally flawed  
But it is certainly well

It's like I seen you once before  
I just don't know when  
Ah ha  
Oh I know your face from somewhere  
I'll see you again

See your face right here before  
It really rings a bell I can't deny it  
I have seen your face  
Right here before me really

Rings a bell I can't deny it  
See your face right here before  
It really rings a bell I can't deny it  
See your face right here before  
It really rings a bell I can't deny it  
See your face right here before  
It really rings a bell I can't deny it  
See your face right here before  
It really rings a bell I can't deny it  
See your face right here before  
It really rings a bell I can't deny it

### 31. We build this city – Starship

Say you don't know me or recognize my face

Say you don't care who goes to that kind of place

Knee deep in the hoopla, sinking in your fight

Too many runaways eating up the night

Marconi plays the mamba, listen to the radio, don't you remember?

We built this city, we built this city on rock and roll

We built this city, we built this city on rock and roll

Built this city, we built this city on rock and roll

Someone's always playing corporation games

Who cares, they're always changing corporation names

We just want to dance here, someone stole the stage

They call us irresponsible, write us off the page

Marconi plays the mamba, listen to the radio, don't you remember?

We built this city, we built this city on rock and roll

We built this city, we built this city on rock and roll

Built this city, we built this city on rock and roll

It's just another Sunday in a tired old street

Police have got the choke hold, oh, then we just lost the beat

Who counts the money underneath the bar?

Who rides the wrecking ball into our guitars?

Don't tell us you need us 'cause we're the ship of fools

Looking for America, coming through your schools

Marconi plays the mamba, listen to the radio, don't you remember?

We built this city, we built this city on rock and roll

We built this city, we built this city on rock and roll

Built this city, we built this city on rock and roll

Built this city, we built this city on rock and roll

Built this city, we built this city on rock and roll

32. War is over – John Lennon

So this is Xmas  
And what have you done  
Another year over  
And a new one just began

And so this is christmas  
I hope you have fun  
The near and the dear one  
The old and the young

A very Merry Xmas  
And a happy New Year  
Let's hope it's a good one  
Without any fear

And, so this is Xmas (war is over)  
For weak and for strong (if you want to)  
For rich and the poor ones (War is over)  
The world is so wrong (now)

And so happy Xmas (War is over)  
For black and for white (if you want to)  
For yellow and red ones (war is over)  
Let's stop all the fight (now)

A very Merry Xmas  
And a happy New Year  
Let's hope it's a good one  
Without any fear

And, so this is Xmas (war is over)  
And what have we done (If you want to)  
Another year over (War is over)  
And a new one just begun (now)

And, so happy Xmas (war is over)  
We hope you have fun (if you want to)  
The near and the dear one (war is over)  
The old and the young (now)

A very Merry Xmas  
And a happy New Year  
Let's hope it's a good one

Without any fear  
War is over, if you want it, etc.  
War is over, now  
etc.  
Happy Xmas
